

Thank you for giving us the opportunity to quote for your wedding. Bayala has the facilities and settings for any couples perfect day.

Whether you are looking for a relaxed reception or African bush affair we can cater to your needs.

From romantic setups under the umbrella acacia's at our safari lodge to a full African affair in the bush Bayala has the means and ways of making your day magical.

Our venue hire of R38 000 includes both the ceremony and reception setup with our standard settings, should you have a bush ceremony there will be surcharges for transport and armed guards. Should you require any décor that is not our standard you are more than welcome to bring in from other suppliers or we can source for you.

The venue hire is reduced to R25 000 should your wedding party book out all 48 rooms of our lodges.

Our Special wedding rates are R1100 pp Bed & Breakfast with a R400 single supplement for the wedding night. Additional nights are charged at a special rate of R2200pps and include dinner, breakfast and a game drive daily.

As the whole establishment is reserved for your private use we do not have time constraints, but there will be a charge of R2000 per hour after midnight to cover our costs.

All venue rates exclude dinner, Wedding meal and activities. They do however include complimentary accommodation for the bridal couple on their wedding night in a superior room.

Game Viewers are available for hire for your photographs and our experienced guides can take you to some spectacular sights and hopefully even some shots with some of our big 5!
